You can adjust / change the context as you like, but please keep the business context and be polite

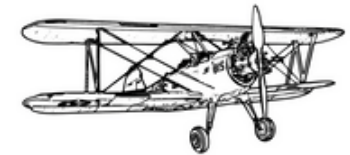

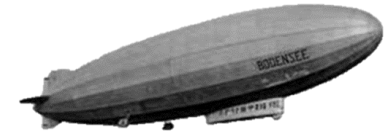

# IAC 2405 Inflight Meals and Beverages Services

## Unit 1

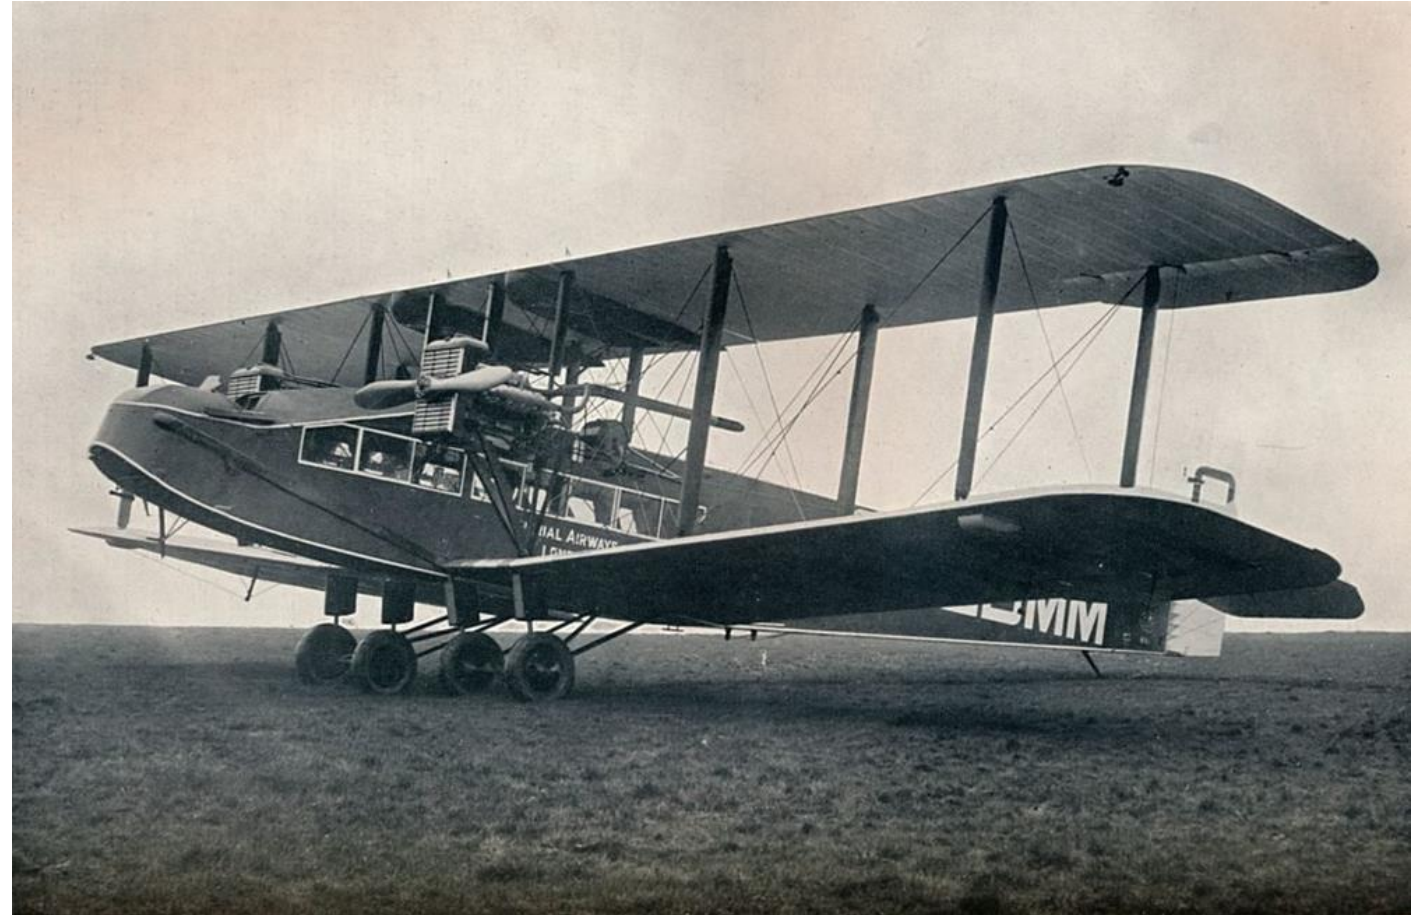

# History of In-Flight Meals

# The History of Inflight Dining

As the airline industry has evolved over time, inflight dining has also changed from times to times.

# The History of Inflight Dining

## First in flight service

The first airline meals—pre-packed, cold lunch boxes each—were served in October 1918-1919 on a Handley-Page flight from London to Paris..
