Michael E. Lamb and Marc H. Bornstein, 2011. Social and Personality Development. National Institute of Child Health and Human Development and Michael E. Lamb, University of Cambridge.

Pavlina Steve, 2009. Personal Development for Smart People: The Conscious Pursuit of Personal Growth. United States: Hay House Inc.

- 2. Important Documents for Extra Study
- 3. Suggestion Information (Printing Materials/Website/CD/Others)

# **Section 7 Course Evaluation and Revising**

#### 1. Strategies for Course Evaluation by Students

- 1. Using survey questions to collect information from the students' opinions to improve the course and enhance the curriculum. Examples of question:
- 2. Content objectives were made clear to the students.
- 3. The content was organized around the objectives.
- 4. The content was sufficiently integrated.
- 5. The content was sufficiently integrated with the rest of the first year curriculum.
- 6. The instructional materials were used effectively.
- 7. The learning methods appropriately assess the students' understanding of the content.
- 8. Overall, students are satisfied with the quality of this course.

## 2. Strategies for Course Evaluation by Lecturer

2.1Lecturers team observes the class and discuss the results as follow:

- (1) The lecturer is well prepared for class sessions.
- (2) The lecturer answers questions carefully and completely.
- (3) The lecturer uses examples to make the materials easy to understand.
- (4) The lecturer stimulates interest in the course.
- (5) The lecturer made the course material interesting.
- (6) The lecturer is knowledgeable about the topics presented in this course.
- (7) The lecturer treats students respectfully.
- (8) The lecturer is fair dealing with students.
- (9) The lecturer makes students feel comfortable about asking questions.
- (10) Course assignments are interesting and stimulating.
- (11) The lecturer uses technology to enhance learning in the classroom.
- 2.2The director/ head of program construct assessment items to evaluate four dimensions of lecturer's competencies: teaching skills, organization and presentation of materials, management of the learning environment, and teaching attitudes.

#### 3. Teaching Revision

Lecturer revises teaching/learning process based on the results from the students' survey questions, the lecturer team's observation, and classroom research.

#### 4. Feedback for Achievement Standards

International College Administrator Committee monitors the assessment process and grading.

# 5. Methodology and Planning for Course Review and Improvement

- (1) Revise and develop course structure and process every three years.
- (2) Assign different lecturers teach this course to enhance students' performance.
