

Today's Activity (Thursday 23 July, 2020)

Analyzing Film Cinematic Devices (The Mise-En-Scene)

1. Watch the assigned film (**American Beauty**)
2. Compose a paper to analyze the film cinematic devices as the following elements:

- Film narrative elements

- Plot
- Cause and Effect
- Time
- Space
- Beginning, Story Development, Conflict and Ending

- Please also apply the Freytag's Pyramid.

- Theme of the film (based on your interpretation first) - please explain with supporting scenes.
- Film stylistic devices (film techniques)

- Visual design
- Cinematographic design (use of camera)
- Editing or montage
- Sound design
