

| | | | | |
|---|---------------------------------|--------------------------------|-------------------------------------|---|
| All through the rainy season, <i>Circumstance</i> | Na <i>Participant</i> | lived <i>Process</i> | alone <i>Circumstance</i> | in the jungle <i>Circumstance</i> |
|---|---------------------------------|--------------------------------|-------------------------------------|---|

| | | | |
|----------------------------------|-------------------------------|------------------------------------|---|
| She <i>Participant</i> | made <i>Process</i> | a bed <i>Participant</i> | from bamboo <i>Circumstance</i> |
|----------------------------------|-------------------------------|------------------------------------|---|

| | | | |
|------------|----------------------------------|---------------------------------|---|
| and | covered <i>Process</i> | it <i>Participant</i> | with banana leaves. <i>Circumstance</i> |
|------------|----------------------------------|---------------------------------|---|

| | | | | |
|----------------------------------|-----------------------------------|--|--|--|
| She <i>Participant</i> | gathered <i>Process</i> | wild durian <i>Participant</i> | from the trees <i>Circumstance</i> | for her food <i>Circumstance</i> |
|----------------------------------|-----------------------------------|--|--|--|

| | | | |
|------------|--------------------------------|------------------------------------|--|
| and | drank <i>Process</i> | juice <i>Participant</i> | from the coconuts. <i>Circumstance</i> |
