Section 1 General Information

1. Codes and Course Title: IAL3404 English for Airline Career Preparation

2. Credits: 3(2-2-5)

3. Curriculum and Course Category:
   3.1 Offered in Bachelor of Arts
   3.2 Offered in Airline Business Free Elective Course

4. Lecturer(s):
   Mr. Taksina Bunbut
   Tel. 034-964946    E-mail: taksina.ssruic@gmail.com

5. Year / Semester
   Student Year 3 / Semester 2/2558

6. Prerequisite Course
   None

7. Co-requisite Course:
   None

8. Learning Location
   International College Building, Nakhon Pathom Education Center

9. Last Date for Preparing and Revising this Course:
   November 01, 2015
Section 2 Aims and Objectives

1. Course Aims

   English for Airline Career Preparation aims to give students confidence in using proper English at every stage of the job interview. This course shows into five parts, including Research, Prepare, Apply, Attend, and Q&A Survival Guide.
   - Part One offers valuable direction on the importance of “doing your research” when going after a position in any industry.
   - Part Two examine the psychology and image appearance aspects of the interview experience.
   - Parts Three, Four and Five explore virtually every facet of the pre through post interview process.
   
   This course also provides the students with the opportunity to interact with the lecturer, including tip lists, quick quizzes, and scenarios. The airline job interview workshop will be set for all students in order to improve their personal grooming, presentation, communication and body language.

2. Objectives for Developing / Revising Course (content / learning process / assessment / etc.)

   At the end of this course, the student will possess to cognitive domain, psychomotor domain, and affective domain in the following areas of performance:

   1.1 To develop the English structure to support the official writing.
   1.2 To understand the method of how to choose the appropriate English writing and speaking to harmonize with the situation, environment and circumstance.
   1.3 To emphasize on drill upon reading, writing, listening and speaking English associated with job applying.
   1.4 To understand the interview process and requirements, including cover letter, resume, personal presentation, and interview skills.
   1.5 To improve personal grooming, presentation, communication and body language.
Section 3 Course Structure

1. Course Outline

Development English Structure on airline communication, the method of appropriate English to harmonize situation, environment and circumstance, emphasize on reading, writing, listening and speaking English, associated with job applying. Concentrate on communication, interview and development various technique of interview

Additional details

English for Airline Career Preparation provides simulation of job interview, self preparation, self evaluation, and airline job application process.
- The “Research” helps students to understand the job and the importance of English in airline business. This will motivate them to prepare the necessary information.
- The “Prepare” helps students to discover themselves and change their attitude to fit the career in airline business.
- The “Apply” tells students to impress the interviewer by a winning cover letter, a compelling CV/resume, powerful application, and polished photographs.
- The “Attend” teaches students to make an impression when they attend the interview. They will learn what to wear and how to dress for the interview for both men and women. The Attend also tells student for what happens at airline interviews.
- “Q&A Survival Guide” provides list of the possible interviewer “scenario questions”, accompanied by explanations of what interviewer is trying to uncover with each question and suggested responses.

2. Time Length per Semester (Lecture – hours / Practice – hours / Self Study – Hours)
